DHL EXPRESS U.S. DOMESTIC TERMS AND CONDITIONS OF CARRIAGE

(“U.S. Domestic Terms and Conditions”)

IMPORTANT NOTICE

When ordering DHL’s services you, as “Shipper”, are agreeing, on your behalf and on behalf of the receiver of the Shipment (“Receiver”) and anyone else with an interest in the Shipment that these Terms and Conditions shall apply.

“Shipment” means all documents or parcels that travel under one waybill and which may be carried by any means DHL chooses, including air, road or any other carrier. A “waybill” shall include any Shipment identifier or document produced by DHL or Shipper automated systems such as a label, barcode, waybill or consignment note as well as any electronic version thereof. Every Shipment is transported on a limited liability basis as provided herein. If Shipper requires greater protection, then Shipment Value Protection may be arranged at an additional cost. (Please see below for further information). “DHL” means any member of the DHL Express Network.

1 Unacceptable Shipments

A Shipment is deemed unacceptable if:

• it contains counterfeit goods, animals, alcoholic beverages, bullion, currency, gem stones; weapons, explosives and ammunition; human remains; illegal items, such as ivory and narcotics,

• it is classified as hazardous material, dangerous goods, prohibited or restricted articles by IATA (International Air Transport Association), ICAO (International Civil Aviation Organization), ADR (European Road Transport Regulation on dangerous goods) or other relevant organization (“Dangerous Goods”),

• its address is incorrect or not properly marked or its packaging is defective or inadequate to ensure safe transportation with ordinary care in handling,

• it contains any other item which DHL decides cannot be carried safely or legally.

2 Deliveries and Undeliverables

Shipments cannot be delivered to PO boxes or postal codes. Shipments are delivered to the Receiver’s address given by Shipper but not necessarily to the named Receiver personally. Shipments to addresses with a central receiving area will be delivered to that area.

DHL may notify Receiver of an upcoming delivery or a missed delivery. Receiver may be offered
alternative delivery options such as delivery on another day, no signature required, redirection or collection at a DHL Service Point. Shipper may exclude certain delivery options on request.

If the Shipment is deemed to be unacceptable as described in Section 1, or Receiver cannot be reasonably identified or located, or Receiver refuses delivery or to pay other Shipment charges, DHL shall use reasonable efforts to return the Shipment to Shipper at Shipper’s cost, failing which the Shipment may be released, disposed of or sold without incurring any liability whatsoever to Shipper or anyone else, with the proceeds applied against Shipment charges and related administrative costs with the balance of the proceeds of a sale to be returned to Shipper. DHL shall have the right to destroy any Shipment which any law prevents DHL from returning to Shipper as well as any Shipment of Dangerous Goods.

3 Inspection

DHL has the right to open and inspect a Shipment without notice for safety, security or other regulatory reasons.

4 Shipment Charges and Fees

DHL’s Shipment charges are calculated according to the higher of actual or volumetric weight per piece and any piece may be re-weighed and re-measured by DHL to confirm this calculation.

Shipper, or the Receiver when DHL acts on Receiver’s behalf, shall pay or reimburse DHL for all Shipment or other charges due for services provided by DHL or incurred by DHL on Shipper’s or Receiver’s behalf.

5 DHL’s Liability

5.1 DHL’s liability in respect of any one Shipment shall be limited to the lesser of (a) $100.00, or (b) the actual value of the Shipment. The “actual value” of a Shipment means the cost of replacing or reconstructing the Shipment and does not include any commercial utility or special value to the Shipper or any other person.

If Shipper regards these limits as insufficient it must make a special declaration of value and request Shipment Value Protection as described in Section 7 or make its own insurance arrangements.

DHL’s liability is strictly limited to direct loss and damage to a Shipment only and to the limits in this Section 5. All other types of loss or damage are excluded (including but not limited to lost profits, income, interest, future business), whether such loss or damage is special or indirect, and even if the risk of such loss or damage was brought to DHL’s attention.

5.2 DHL will make every reasonable effort to deliver the Shipment according to DHL’s regular delivery schedules, but these schedules are not binding and do not form part of the contract. DHL is not liable for any damages or loss caused by delay.
6 Claims

All claims must be submitted in writing to DHL within thirty (30) days from the date that DHL accepted the Shipment, failing which DHL shall have no liability whatsoever. Claims are limited to one claim per Shipment, settlement of which will be full and final settlement for all loss or damage in connection therewith.

7 Shipment Value Protection

DHL may be able to arrange Shipment Value Protection covering the value in respect of loss of or damage to the Shipment, provided that the Shipper so instructs DHL in writing, including by completing the Shipment Value Protection section on the front of the waybill or by DHL’s automated systems and pays the applicable premium. Shipment Value Protection does not cover indirect loss or damage, or loss or damage caused by delays.

8 Circumstances Beyond DHL’s Control

DHL is not liable for any loss or damage arising out of circumstances beyond DHL’s control. These include but are not limited to electrical or magnetic damage to, or erasure of, electronic or photographic images, data or recordings; any defect or characteristic related to the nature of the Shipment, even if known to DHL; any act or omission by a person not employed or contracted by DHL - e.g. Shipper, Receiver, third party, or government official; “Force Majeure” - e.g. earthquake, cyclone, storm, flood, fog, war, plane crash, embargo, riot, civil commotion, or industrial action.

9 Shipper’s Warranties and Indemnities

Shipper shall indemnify and hold DHL harmless for any loss or damage arising out of Shipper’s failure to comply with the following warranties and representations:

- all information provided by Shipper or its representatives is complete and accurate;
- the Shipment is acceptable for transport under Section 1 above;
- the Shipment was prepared in secure premises by reliable persons and was protected against unauthorized interference during preparation, storage and any transportation to DHL;
- Shipper has complied with all applicable laws and regulations; and
- Shipper has obtained all necessary consents in relation to personal data provided to DHL including Receiver’s data as may be required for transport, and delivery, such as e-mail address and mobile phone number.

10 Routing

Shipper agrees to all routing and diversion, including the possibility that the Shipment may be carried via intermediate stopping places.
11 Governing Law

Any dispute arising under or in any way connected with these Terms and Conditions shall be subject to the jurisdiction of the courts of, and governed by the law of the state in which the Shipment was tendered to DHL without regard to conflict of law provisions.

12 Severability

The invalidity or unenforceability of any provision shall not affect any other part of these Terms and Conditions.
