

DHL EZYBILL

Shipping paperwork piles up quickly. Take control with our paperless invoice management solution.

MANAGE ALL YOUR DHL ACCOUNTS IN ONE LOCATION.

Enjoy all the benefits of a paperless environment while keeping close track of your financial transactions. With EzyBill, you will enjoy instant access to summary and detailed invoice data, including related shipment images such as waybills, Commercial Invoices and other Customs documentation. Everything is easily printable when hard copy documentation is needed.

Benefits

- View Customs entry packets
- Manage multiple user access
- Query accounts online
- Access billing information earlier

DHL EZYBILL

GET THE COMPLETE PICTURE: ALL IMPORT AND EXPORT CHARGES ORGANIZED IN ONE PLACE.

EzyBill gives you access to all import and export account information in one location. This solution stores both the DHL Customs Duty Invoice and corresponding entry documentation for your records and review. View any invoice or shipment document for up to 12 months. Simply query by waybill or invoice numbers to find the information you need.

Designate your own Corporate Administrator to manage access to your company's accounts. The Corporate Administrator is the only person who can add, change or delete users. Those users who are granted access to EzyBill will then have all the information they need to make informed decisions on your behalf. If they need support, DHL Customer Service Representatives are always available to help.
