

## DHL Express Dry Ice & Biological Substances Service Restrictions

DHL Express provides door-to-door express carriage of Dry Ice (UN1845) when used as a packaging supplement for Biological Substances, Category B (UN3373) or perishable contents to select international destinations. Dry ice is limited to 440 lb (200 kg) per package unless otherwise noted in **RED**. Those countries highlighted in **RED** are limited to 55 lb (25 kg) of dry ice per package.
